## PUBLIC WELLS PUFFS

Rain! Rain! Rain! When did we ever have so much rain before? Fences, bridges, crops and everything in the bottoms are being washed away.

Ed Waggener has relapsed and has been real sick the past week. He has been out of his crop some three weeks and the neighbors gathered in last Tuesday evening and worked for him and set Friday to work again, but it rained.

Arthur McGehee is at home for a two week's stay.

Mr. Cook says his snake has been away for several days and thinks it is off for an operation.

Let remember the singing at this place next Sunday afternoon.

Buster Fields, who is in the dairy business on a small scale, has a cow that is pretty bad to kick, but she has just one certain place to hit Buster, and that is on the cheek. She has hit him twice in the same place in less than a week.

Quite a number through this section have clover hay cut and ready for hauling, and the big rain has all but ruined it.

Esq. W. S. Miles had a mule to kick him a few days ago, from which he has been suffering considerably since. He was hit under the right arm and thinks some ribs are fractured.

Agness Williams, while getting off the train at Ralston, had two fingers to get caught by the door, bursting the flesh and causing her very much pain.

John Coleman, near Ralston, has a very sick cow, and Dr. Connell has been called. It seems there is quite a lot of sickness among cattle and stock, as well as people now.

Tommie Killgore had a nice colt to get all but ruined a few days ago. This hot weather may cause it to be serious.

During the electrical storm a few evenings ago, Mr. Bob Vaughan and son ran in under their stock barn. Lightning struck the barn, knocked some horses down and burned Mr. Vaughan's arm considerably, but no serious damage was done.

Mr. Cook, our very obliging rural telephone operator at Ralston, has been right sick the past few days with something like flux.

Irene Miles is at Memphis attending the teachers' course.

## Disagreeable and Dangerous Trouble

is Diarrhoea, but a speedy and certain cure is found in Mississippi Diarrhoea Cordial. Price 25c and 50c. j-l.

## Through the Mails.

Pinon, N. M., June 20, 1916.  
Joe L. Holbrook & Son.

Dear Sirs:—Please find inclosed money order for \$1.25 and credit my subscription to the Enterprise with same, and accept my sincere thanks for Enterprise with all the news from my dear friends in Weakley county.

Sincerely yours,

BUREN ARNOLD.

## TRY IT! SUBSTITUTE FOR NASTY CALOMEL

Starts your liver without making you sick and can not salivate.

Every druggist in town—your druggist and everybody's druggist has noticed a great falling-off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. "Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs 50 cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back."

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine, full of vigor and ambition.

## CORINTH AND NEW SALEM

Lightning killed Mr. O. T. Brown's mule a few days ago. We are reliably informed that he had some insurance on the animal.

A great many farmers have lost or got a great deal of their hay ruined by the recent rains.

The wedding of Miss Charlie McDearmon and Mr. Sellars Hansbrough, last Sunday evening, was quite a surprise to many.

Rev. Arthur McGehee filled the pulpit at Corinth, instead of Rev. Jackson.

Rev. W. B. Clifton will preach at Corinth the second Sunday at 11 o'clock.

Mr. Tom Burch says just wait till he gets to Mexico and all of them will surrender at once.

Here is a clipping from a religious journal that will, perhaps, be interesting to some: "The oldest horse that served the country in the war of the Confederacy is still alive at the age of fifty-three years at Horsehead, N. Y. It is owned by P. A. McIntosh, who is also a veteran of the same war. To prove this assertion, Mr. McIntosh shows the government brand on the animal's hip which reads, 'I. C. 1865.' Horse and man served in same regiment. Although bent with age, his hair turning gray and his teeth becoming worn, the old war horse is still able to eat twelve quarts of oats and take his master to town several times a week." It is estimated the horse is fifty-three years old. Farmers say the average life of a horse is fifteen years.—A No. 8 Boy.

## KIMERY NEWS

The farmers of this vicinity are very busy trying to save their hay and clean their crops.

Orland Coats lost a fine mare last week.

Mrs. Henry Cates is very low.

The singing at the Seminary Sunday afternoon was good. The Lane quartette was there and did some fine singing.

On last Monday evening, Mr. A. J. Gilmore's old cow came up to her young calf and his daughter, Miss Connie, who is about sixteen or seventeen years old, went out to turn the cow into the lot, whereupon the cow attacked the girl and broke her arm. Mrs. Gilmore then rushed to the scene and the cow attacked her and got her down, bruised her up considerably and cut an ugly gash in the top of her head. It is reported that Mrs. Gilmore is in a right critical condition.

Mrs. C. P. Rachel was carried to the hospital at Bolivar last Wednesday. Mrs. Rachel became mentally unbalanced about a month ago from a nervous break down. Her many friends hope that she may soon recover.—Buster Brown.

Registered Holstein bull, for service at Jim Hilliard's farm, three mile west of Dresden, \$3. cash.—Doyle Brooks & Co. 13-2t.

## UNITY AND LATHAM

Charlie Biggers inflicted a very painful wound on his foot while hoeing potatoes, by striking the corner of the hoe in his foot.

I am requested to announce that the Lee Harris graveyard, near Unity church, will be cleaned on Saturday before the second Sunday in July.

Mr. Willis Leagan and son, Vane, are right sick with typhoid fever.—Silver Bell.

## WEAKLEY COUNTY ATONISHES BY SIMPLE MIXTURE.

Weakley county people are astonished at the instant action of simple buckthorn bark, glycerine, etc., as mixed in Adler-i-ka. ONE SPOONFUL removes such surprising foul matter it relieves almost ANY CASE constipation, sour stomach or gas. Because Adler-i-ka acts on BOTH lower and upper bowel, a few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. J. C. Ammons, druggist at Gleason, The Sharon Drug Co., at Sharon.

## GLEASON GLEANINGS

### Death of Bright Lad.

The two-year-old son of Mr. and Mrs. Earl Bell, jr., near Bell's store, died Saturday night after a brief illness of flux and was laid to rest Sunday afternoon at the Butler graveyard, services by Revs. Felts and Maddox. This was a bright boy. He was loved by the entire community, the friend of everybody and everybody was his friend. His life was full of music and sunshine. He was so bright and friendly that all admired him. A beautiful, blooming bud, plucked by the Gardner's hand, to be transplanted into the garden of heaven to grow sweeter and more beautiful for father and mother's enjoyment hereafter.

The son of Mr. Willie Wallace, near Bell's store, was bitten by a highland moccasin on the calf of the right leg one day last week, being made very sick from the poison injected by the reptile. Dr. J. E. Goldsby attended the little fellow, who is making splendid progress toward recovery.

Mrs. John Bynum, about sixty-five years of age and a most lovable woman, died Sunday at the family residence, two miles east of Gleason. Her husband and several children survive her. The remains were laid to rest on Monday at Sandhill.

The revival meeting begins Monday night, July 10, at the Christian church in Gleason, conducted by Prof. Calhoun, of Lexington, Ky. Bro. Calhoun is a pleasing, yet forceful speaker, and is well and favorably known to many people in and around Gleason.

Farmers in this section are so busy fighting grass that they do not have time to come to town, consequently there is little of interest to write about.

Edgar Johnson, one of our prosperous farmers, is the proud owner of a new Ford car.

I am in the market for a second hand Ford car.—L. A. Wilkins, Gleason, Tenn.

Born, to Curt Dinning and wife, near town, a bouncing big boy, on Wednesday.

Mr. German Phelps is remodeling his residence.

### Mill Changes Hands.

R. W. Bandy, cashier of the Bank of Gleason; and son, Joe H. Bandy, cashier of the American National Bank, Nashville, have taken over the West Tennessee Mills, having purchased the interest of R. J. Whitworth, former proprietor. Special attention will be given the exchange department and it will be their purpose to do a larger wholesale business than the mill has ever done. Mr. Joe H. Bandy will be manager.

The corporation has collected the sum of \$50 in fines during the present week, and this is being used for the construction of new concrete walks, which were badly needed.

Mr. A. J. Vincent sold his son Finis, a building lot a few days ago, and it is understood the latter will build on the lot, erecting a nice home.

Mrs. Mollie Bobbitt is making some nice additions to her home, which will be one of the prettiest homes in Gleason when completed.

### Imitation Is Sincere Flattery

but like counterfeit money the imitation has not the worth of the original. Insist on La Creole Hair Dressing—it's the original. Darkens your hair in the natural way, but contains no dye. Price, \$1.00. j-l.

THE KOZY

## SANDY BRANCH.

Winnie Simpson, whom I reported sick last week, is some better.

The little son of Mr. Charley Ross is mighty sick, his fever being 104. It is feared he has measles.

Uncle Alf Sawyer was unable to attend church Sunday. He has been in bad health for a long time.

Alton Simpson was harrowing his tobacco Friday, when his little dog began to bark at something under a walnut tree. It was a very large mink, which the dog killed.

The fifth Sunday meeting of the Weakley county association is to meet at Ruthville on Friday before the fifth Sunday in October and continue three days.

We noticed last Sunday that Mr. J. O. Vincent was able to be out walking in his garden.

We are glad Mr. Holbrook and family had a pleasant trip. They sure did have fine luck with their car.

I notice about your large load of tobacco in last week's paper, it weighing 3,600 pounds. Mr. Geo. Griffith carried a load to Martin four years ago from the Fourth district that weighed 5,610 pounds. Come on with some more tobacco.

Rev. J. H. Anderson filled his regular appointment at Ruthville Sunday.

Glenn Clement is on the sick list. He had a hard chill yesterday, and is right sick today.

Several through here have lots of hay down and it is already damaged.—Nightingale.

## THOMAS CHAPEL ITEMS.

Mrs. Finis Carlton had a chill last Sunday.

Mr. Jeff Cetchman has been sick with chills and fever the past few days.

Mrs. Ivy Mitchell, who has been in bad health, was improving a few days. She went home and was taken worse and was carried back to her father's, R. H. Galey.

Mrs. B. L. Pittman is in a critical condition, at this writing.

Mrs. Harve Drewry is slowly improving.

I am sorry to hear of that pig being lost which U-Know spoke of last week. Maybe it went into a rat hole. They do eat 'em, so they say.

Mrs. Almus Blan is on the sick list.

Overton lodge, No. 112, I. O. O. F., will meet July 8 at 8 o'clock p. m., when all members are urged to be present.—Uncle Josh.
